

Appointment of Advocate

If you are an Account Holder and wish to appoint an Advocate to deal with Komet on your behalf, please complete the form below.

Advice regarding an Advocate's power to act

When you appoint an Advocate you are giving the person you appoint the power to act on your behalf, as if they are you.

However, an Advocate cannot make changes to your account details or change your services. An Advocate will have no access to your personal information, unless you are present and agree to such access. You may wish to use an Advocate for a range of reasons, such as:

- to assist with communication
- to make a complaint
- to discuss a bill or a service difficulty
- as a language interpreter.

If you wish to appoint someone to make changes to your account details or change your services, you may appoint an Authorised Representative, using the form accessible at www.komet.net.au. Only Account Holders can appoint an Advocate. If you wish to appoint more than one Advocate, please complete one 'Appointment of Advocate' form for each person you wish to appoint.
